EU type examination certificate under regulation no. 0075/057/162/12/22/2278 EXT 01/01/23 issued by CTC, notified body no. 0075.

Composition

Palm and thumb: Black goatskin treated for water repellency.

Back: Red aramid woven fabric with laminated aramid needle-punched felt.

Lining: Aramid/mineral fibre/cotton knit. PFAS-free breathable insert throughout the glove. Elasticated back.

Reinforcements: Black water-repellent goatskin palm reinforcement. Black water-repellent goatskin joint protection on the back of the hand and fingers.

Sleeve: Black aramid elasticated ribbed sleeve. Goatskin artery protection along the entire length of the wrist.

Strap: Goatskin strap at the end of the ribbing for adjustment.

Accessories: Plastic carabiner on the right hand and plastic buckle on the left hand to connect the gloves. 100% aramid sewing thread.
